Dear Dr. Vandana Dhiman

Re: 32324 - Mutation in the Collagen-Specific Molecular Chaperone Heat-Shock Protein-47 (Hsp47) Causes Endoplasmic Reticulum Stress in Osteoblast Cells of Osteogenesis Imperfecta (OI) Patients

We are pleased to inform you that your abstract has been selected by the Annual Meeting Steering Committee for a **poster presentation** at ENDO 2017, April 1-4 in Orlando, Florida. All co-authors have received a copy of this notice. Abstracts will be published online no later than January 31, 2017. You may view the abstract by searching for your name on the ENDO web program at <https://endo.confex.com/endo/2017endo/meetingapp.cgi/Index/PeopleIndex~A>. Abstracts will also be published in a future issue of *Endocrine Reviews*.

Instructions for preparing your poster may be accessed via this link: [Click Here](#)

Posters are assigned **ONE** day for presentation at ENDO.

Session details are as follows:

Date: Saturday, April 1, 2017

Time: **1:00 – 3:00 PM**

Room: Expo Hall, Orange County Convention and Exposition Center

Poster Board Number: **SAT 353**

Only mount your poster on your assigned day. If you miss your presentation day, you may consult with Endocrine Society staff to determine whether a blank board is available at the Expo. Posters must be removed by **4:15 PM** on the day of presentation.

You or your co-authors are required to stay with the poster during the time period listed above; of course, you are welcome to be available at other times on your scheduled presentation day. To give attendees the maximum possible time to view your poster, please mount your poster on your presentation day at the hours specified below. Because the Expo does not open until 10:30am access to the Hall will be controlled. Please follow entrance and exit instructions from Security personnel. Please access the exhibit hall entrance located in the North Lobby.

**Date:** Saturday, April 1, 2017

**Set up:** 7:00 - 9:30 AM

**Removal:** 4:15 PM

The poster board display area is approximately 3'9" by 7'9" (1.14 x 2.36 meters), allowing for the frame. The top of your poster should include the poster board number, poster title and authors in letters at least 1" (2.5 cm) high. Do not change the title submitted on your abstract.

All poster presenters must attend ENDO 2017 to validate their published abstracts. Winners of travel and other awards will receive a separate notification.

Further program details are available online at <https://www.endocrine.org/endo-2017>

*Reminders:*

- *Register by January 17, 2017 to receive the best registration rates!*
- *The Annual Meeting Steering Committee will be accepting late-breaking abstracts from January 11, 2017 through February 13, 2017.*

We look forward to your presentation in Orlando!
